

# Virtual Night to Shine 2021

We are excited for you to have this experience and hope that you have SO much fun! We know that this is very different. So while we won't be there with you, we want to provide as much information and support as possible to make your Virtual Night to Shine a success!

Link for Virtual Night to Shine: [www.VirtualNightToShine.com](http://www.VirtualNightToShine.com)

The event begins at 6PM Eastern Standard Time. That is 5PM our time. You can begin watching it any time after that.

There is a LOT of information included in this packet to help you make this experience more fun and successful. If you need any help at all, we will have a technical team standing by on Friday, February 12 beginning at 5PM (our time). You may contact us in the following ways:

Email:       nts@westark.org  
Phone:       479.452.1240

If you do not have an internet connection, we have set up a special WIFI network specifically for this event that will be accessible from upper portion of our parking lot. We would love to be able to invite everyone inside from the cold, but we do not have a space that could accommodate everyone and keep everyone safe and socially distanced. If you would like to use that network the info is below: (Keep in mind, that it needs to be entered exactly as written here, with capitals as written.)

Network: Westark NTS  
Password: TimTebow2021

We are praying that you have a fabulous time! Remember - God loves you... and we do, too!

*(Please remember to read the following pages for additional information. Thanks!)*

# NIGHT TO SHINE VIRTUAL EXPERIENCE

## ACCESS TIPS

### WHAT TO EXPECT

When clicking the link/URL for the Night to Shine Virtual Experience, you can expect the following:

- You will note that if you visit the link now, it currently displays a countdown clock. If you navigate to this link prior to the event, you will see this clock. Once the clock ends at 6pm EST on February 12, 2021 the event will open, and you will be able to access the Virtual Experience.
- When the event opens at 6pm EST or any time you navigate to the link after 6pm EST, you will be asked to answer a simple question about who is viewing the event (honored guest, volunteer, group home, etc.). Once you make your selection and click "Enter Event", you will be on the official event page and can begin watching the Official Night to Shine Virtual Experience video!
- Once on the event page, there will be the option to choose to watch the event with subtitles in a different language or with full American Sign Language (ASL) interpretation. Language subtitle options will include English, Spanish and more. To choose a different language or ASL, there will be a dropdown menu in the top right corner of the event page. If you select another language, you will be redirected to an identical event page in the language selected.
- Before beginning to watch the Virtual Experience on February 12, please clear your online browser history before clicking the URL to begin, especially if you have tried visiting the URL prior to 6pm EST on February 12.
- The Virtual Experience video will be embedded in the event page and will play just like any other YouTube or Vimeo video would on a website.
- As with most videos, you will be able to expand your view of the event by clicking "Full Screen" on the bottom of the video window. We encourage you to do this to provide a more immersive viewing experience.
- The Virtual Experience video is not presented in live-stream so and you will be able to pause, re-watch or skip ahead as needed. The video will be about 40 minutes in length.
- If you are not able to watch the Virtual Experience exactly at 6pm EST on February 12, do not worry. The event will be available for a few days following should you need extra time or would like to go back and re-watch the Virtual Experience.
- We do not anticipate any issues with the event page or Virtual Experience video but please know that the TTF team will be closely monitoring each element during the event and should an error occur, we will address it as quickly as possible.
- **Please do NOT post or reshare the Night to Shine Virtual Experience link or clips of the video event on any public online streaming platform, webpage or social media accounts. Also, please do not reshare or post the Night to Shine Dance instruction video to any public online streaming platform, webpage or social media accounts.**

# NIGHT TO SHINE VIRTUAL EXPERIENCE

## ENGAGEMENT EXTRAS

The event page will also include some fun ways for you to engage and share your at-home Night to Shine Virtual Experience.

- Included on the event page will be the Tim Tebow Foundation phone number for texting. You will be able to text your photos, videos and stories to the foundation if you would like to. We know that many of you have already signed a media rights release through your host church, but should you choose to share your photos, videos and stories this way, you will be prompted to agree or not agree to sharing these items with TTF when texting this number. Please note, this number is solely for sharing photos, videos, and stories, it is not monitored for technical support or questions.
- If you choose to post your photos and videos on social media, we have included #NightToShine and #TimTebowFoundation on the event page and encourage you to use them in your posts. If your host church has a specific hashtag, please use that one as well.
- Last but not least, a Virtual Photobooth will be available on the event page for you to enjoy before, during or after watching the Virtual Experience! In order to use the booth, you may utilize your computer webcam or the built-in camera on your smartphone or tablet.

The booth will include:

- Custom Night to Shine digital photo frames
- Night to Shine themed stickers to enhance photos
- A Night to Shine Boomerang frame
- A Night to Shine GIF frame
- If you do not have a webcam on your computer or you would simply prefer to use your smartphone to take photos, a QR code will be available. To access the photobooth on a different device, simply scan the QR code with your device to gain access to the photobooth.
- You will have the ability to opt in or out of sharing your photobooth photos with TTF.
- You will be able to email your photos to yourself as a keepsake from your Night to Shine Virtual Experience!
